<_duffman> What the fuck is the status on your check dude?

<_duffman> you're getting me scared now.

> status = unknown

> they talk about re-issuing checks

> after certain amount of time

<_duffman> WTF?

<_duffman> are you emailing them?

<_duffman> they just tell you tough luck?

<_duffman> wait?

> wait

> find out if check is getting cashed

> they canceled one check already cause i asked

<_duffman> what did they say bout the fed-ex?

<_duffman> Can you find out what that nst program does?

> if i had it

> i could

<_duffman> i can send it to you.

<_duffman> but don't tell neek

<_duffman> i got my hands on it accidentally

> ill look.. i aint gonna tell neek

> neek aint even been here for a week

<_duffman> apparently he doesn't want to tell how to run the program.

> i can reverse it

<_duffman> he says he's mad because i got the program

> how

<_duffman> and he'll only show me how to use nsb.

<_duffman> so apparently nst is the key to his 14K a day days?

<_duffman> well.

<_duffman> the chinaman gave me a box that was his i guess.

<_duffman> I didn't know it was his.

<_duffman> i just said hey, wtf, another spammer.

<_duffman> lol

<_duffman> and grabbed all the stuff.

> up it to the 100mbit

> in your folder

> ill look at it

<_duffman> can you tell me how to use it?

> will take a day or so

<_duffman> can't i just dcc it to you?

> but yea

> firewall might block it

> try tho

<_duffman> sec

<_duffman> what's the ip/lp to the 100mbit?

> access.duffgardens.org

> 45550

> login krylon

> dunno pw

> u should.. need me to reset?

> pw krylonicus

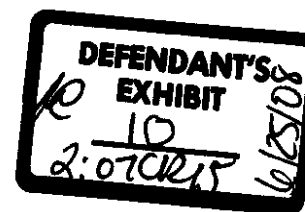

<_duffman> k thanks.

<_duffman> hmm.

<_duffman> just sits there.

<_duffman> ok.. i'm in..

<_duffman> but don't have a home directory

_duffman.EFnet.log

> you should
> hmm
> you there?
> ahh try now
