Re: United States of America v. Daniel Dove
Case No. 2:07CR00015

Dear Mr. Gunlicks:

A courtesy working copy of the following hard drive images are being shipped via Federal Express to your client's retained technical consultants, Sensei Enterprises, Inc., today:

1. Certain Materials Seized From Grant Stanley's Residence:

- Image QKXE1
- Image QKXE1_2

2. Hard Drives Seized From Daniel Dove's Residence:

- Image H70027
- Image Tape 70028
- Image Tape 70029
- Image Tape 70030
- Image Tape 70031

**3. Elite Torrents Web Server and Tracker Database
Obtained From Confidential Informant**

- Tracker Server Image

4. Digital Photos From the Search of Mr. Dove's Home

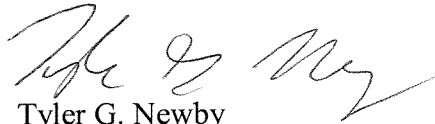

- Folder containing JPEG Images P5250001-P5250075

Please note that the chat logs the government intends to use at trial are found on Image QKXE1. Also, please note that the Elite Torrents tracker database is in SQL.

As we have discussed on the phone, these materials are working copies only. At trial, where necessary, the government will authenticate and introduce the original evidence or authenticated reproductions of that evidence.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tyler G. Newby', is written over the typed name.
