Upon consideration of the parties' Second Joint Motion for Continuance, the court hereby finds that the ends of justice served by the granting of such continuance outweigh the best interest of the public and the defendant in a speedy trial. The court makes this finding because a failure to grant such a continuance would deny counsel for the defendant sufficient time for trial preparation, pursuant to 18 U.S.C. § 3161(h)(8)(B)(iv).

Accordingly, it is **ORDERED** that the Second Joint Motion for Continuance is granted and the trial and Speedy Trial Act time is continued until June 24, 2008. Counsel shall contact the Clerk's Office to arrange a new date for the pretrial conference, which also will be continued. Pursuant to the agreement of the parties, the defendant will be permitted to file additional pretrial motions only with respect

to information produced or made available to him after the original pretrial motions cut-off date of April 1, 2008.

The hearing on defendant's Motion for Subpoena Duces Tecum remains scheduled for April 14, 2008, at 1:30 p.m. and will be conducted by conference call pursuant to agreement by the parties and leave of the court. Counsel for the parties shall be responsible for making arrangements for the conference call.

ENTERED this 11th day of April, 2008.
