Computer Restriction and Monitoring Program Participant Agreement

General Provisions

1. I, Scott R McCausland, have been placed in the Computer Restriction and Monitoring Program. I agree to comply with all program rules set forth in this agreement, and the instructions of my probation officer. I understand that this agreement is, by reference, part of the order setting conditions and that failure to comply with its provisions or the instructions of my officer will be considered a violation of my supervision and may result in an adverse action. I agree to call my officer immediately if I have any questions about these rules or if I experience any problems that may hinder my compliance with this program.
2. I understand I must complete the Computer/Internet Data Form and return within seven days or certify that I do not have access to a computer.
3. I shall possess and/or access only computer hardware or software approved by the U.S. Probation Office. I shall obtain written permission from the U.S. Probation Office prior to obtaining or accessing any additional computer hardware/software or making any alterations to my system.
4. I shall only use Internet Service Providers(s) (ISP) approved by the U.S. Probation Office. I shall obtain written permission from the Probation Officer prior to changing ISP or entering into agreements with any additional ISP.
5. I agree to allow the U.S. Probation Officer to install software/hardware designed to monitor computer activities on any computer I am authorized to use. I understand that the software/hardware may record any and all activity on my computer, including the capture of keystrokes, application information, Internet use history, email correspondence, and chat conversations. I further understand that a notice will be placed on the computer at the time of installation to warn others of the existence of the monitoring software on my computer. I agree not to attempt to remove, tamper with, reverse engineer, or in any way circumvent the software/hardware.
6. I understand that my supervising officer may use measures to assist in monitoring compliance with these conditions such as placing tamper resistant tape over unused ports and to seal my computer case.
7. I will notify all individuals that have access to my computer system that it is subject to monitoring and/or search/seizure.
8. I shall not create or assist directly or indirectly in the creation of any electronic bulletin board, ISP, or any other public or private network without the prior written consent of the U.S. Probation Office. Any approval shall be subject to any condition set by the U.S. Probation Office or the Court with regards to that approval.
9. I understand the U.S. Probation Office may determine a website and/or material is a detriment to my success in this program and therefore prohibit future access to said website/materials. I will abide by this decision pending any ruling by the Court to the contrary.
10. I understand that my officer will use telephone calls and unannounced personal visits to monitor my compliance. When I am at home, I agree to promptly answer my telephone or door.
11. I will provide copies of credit card billing records or other financial records monthly and will not open any new lines of credit without authorization of my supervising officer. I understand that my supervising officer has the authority to request my credit history information to confirm my compliance with the conditions of release and these program rules. My signature on this document signifies my consent for the release of the credit history information.
